

# A Word from the Walkers Spring 2017

Dear Friends,

Greetings from hot, sunny Panama. Thank you so much for your prayers, encouragement and support of our ministry here in Atalaya. We appreciate very much your dedication and faithfulness in prayer on our behalf and your sacrificial giving for the Lord's work!

In January we received a shipment of 700 DVDs with Bible stories for children from Immanuel Studios. We also received Gospel tracts, & 60,000 Gospel calendars in Spanish from Revival Movement in Northern Ireland. Over the past couple of months we have been busy getting them delivered to churches all over the country and door to door in different villages and towns in the province of Veraguas. Pray for a woman (Laura), who received a calendar and booklet and has asked for a Bible study. On Tuesday 21<sup>st</sup> March we had our first Bible study with her and her husband, Alejandro. This year during the five day pilgrimage to the village of Atalaya many thousands came to pay homage to the statue "Jesus of Nazareth", over 11,000 calendars and nearly as many booklets were distributed. Please pray that the people

will read the scripture verses and that the Holy Spirit will convict people of their sin and that they may find the True and Living Saviour.

Thank-you for your continued prayers for the "home Bible studies" we have each week. Maria Pinto and her daughter Eyleen continue to study with us each Friday. Also, for the studies we have in the homes of Paula and Maria Abrego; pray for their salvation. Pray too for Chilo, whom we are discipling, and is growing in the Lord.

We would appreciate prayer concerning a house that has come up for sale on the same street as the small property the church purchased last year. The house is in good condition but needing ceilings, doors, floor tiles and a new kitchen put in. The house would be adequate for the church to meet in, and there is space for an extension if needed in the future, as well as for car parking. We can sell the property which was purchased last year to put towards the new one. Please pray as we consider this opportunity and for the Lord's provision.

We will be in Northern Ireland from 21<sup>st</sup> August – mid October; if you are interested in hearing a report on the work in Panama please give us a call on 028 3751 8483 when we get to Armagh, or even drop us an email any time between now and then.

Thank you so much for all your prayers and support for the ministry in Panama among the Latin and Buglere People.
