

WHAT WE'RE LEARNING...

- **ANNA** is coming to the end of her year in junior infants in Our Lady of Good Counsel Girls National School in Ferrybank. Her favourite days are Tuesdays (Irish Dancing Day) and Fridays (treat day and PE day) and every day between as she gets to play with her friends. Anna loves singing along to songs on PraiseBaby worship CD.

- **EOIN** is at the end of his first year in Ferryfun preschool and will stay another year. Being an outdoors man his favourite time is when they play outside. He also looks forward to Friday when they get to have buns! Eoin loves being a help at home and church and at the moment has lots of questions about God and heaven.
- **CONOR** will be 2 years old this September. Now he is on his feet he rarely sits down and loves to play with water, especially splashing in the bath.

June sees the end of what has been Anna's first year in primary school and Eoin's first year in pre-school. They have both settled in well and are enjoying their first steps in their journey of education. As parents we may have left schooldays far behind, but as disciples we continue to grow and learn as we follow our Master Jesus (2 Pet 3.18). We are especially thankful for recent training opportunities with ECM which have been very timely in preparing us for what God has next for us in ministry.

ALLY recently traveled to Madrid from 23rd to 29th April for course on Cognitive Coaching, which has equipped her with tools to better help others who are making decisions, reflecting on life or facing problems. Please pray for Ally as she continues to get alongside people and support them. Pray that she will know God's peace in her life and it would flow over to others as she shares life with them.

COLIN travels to Austria from 24th - 29th May for course called Equip 2, which gives help in understanding how God has been working in our lives to develop in leadership. Please pray for Colin as he fulfills responsibilities he has currently in leading and seeks to learn how to lead better. Pray particularly for HIm to be courageous and strong. Deut 31.6.

Thanks for your continued partnership as we continue sharing what we learn in Christ with others here.
